

# Reverse Boom Floor Cranes

## RC Series

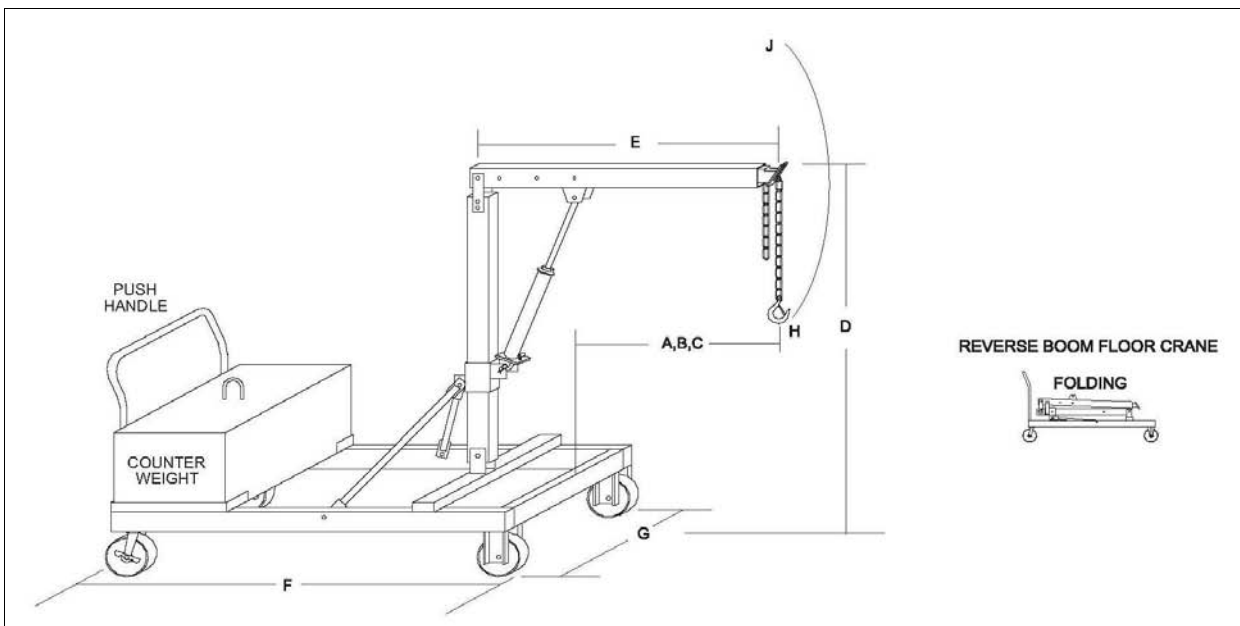

Reverse Boom Floor Cranes

### REVERSE BOOM FLOOR CRANES

Useful for supplying materials to working areas that are not serviced by overhead cranes. The counter weight design allows to place the crane close to the item being lifted without obstruction.

Equipped with roller bearing wheels, swivel wheel foot brakes, manual pump, adjustable chain and hook, safety pins, push handle and counterweight. RC-10 & RC-20 fold for storage or transportation.
